SUBJECT.

Adjustment of the several advances made for the Bangalore Ry-extensions.

Cancelled

M. R. H.

Note.

Subject:- Recovery of loans granted for Extensions and City Improvements in Bangalore.

.....

The Extensions were undertaken under exceptional circumstances and have proved most beneficial to the public. The cost thereof is not an ordinary Municipal charge and seeing that the Board's finances are in an embarrassed condition, its request that the amount be graciously treated as a State Grant does not seem unreasonable.

2. The total amount involved is Rs. 3,15,000 of which about a lakh has been spent on improvements within the limits of the City and has been separately dealt with in my note of this date on loans advanced to the Board.

3. A sum of Rs. 54,150-5-5 is reported to have been realized up to the end of March 1903 by the sale of sites in the Extensions and credited to Government. All further realizations under this head which may probably amount to another Rs. 50,000 will also of course be credited to Government.

Submitted to the Dewan - as to whether this may be placed before Council by circulation?

@ Vide L.B. File no. 43 of 1898 -

The net cost of these Extensions to Government will thus be about Rs. 1,10,000 in addition to the expenditure of Rs. 2,47,624 already incurred by the D.P.W. and to the further expenditure remaining to be incurred on account of drainage &ca. I beg to suggest that the loans in question be written off the accounts.
